Thank you for watching Anthony's Windows on NZ Bear Hunt, we hope you enjoy following the adventures of Anthony. We've put together this worksheet for you to work through after watching episode three.

What did Daryl make for the group?

When was the last time you made something for someone you care about?  
Perhaps you'd like to make someone a card to tell them you care about them.

How do you think it made Daryl feel when he saw that everyone was talking about him?

What song did Daryl sing in the toilet window?

What is the name of the bear that can't speak English?

### Dot Game

Each player takes a turn connecting one dot to another, one move at a time. When a player draws a line that forms a square, that player fills the square with their first initial. The player, who drew the closing line on the square, gets another turn.
